

Meet at Gleneagle, Killarney

Scale. Simplicity. Setting.

Gleneagle is one of Ireland's leading conference and events destinations, bringing together versatile venues, integrated technical production, onsite accommodation and experienced event support within one connected environment.

From major conferences and exhibitions to meetings, gala dinners and multi-day events, everything is designed to make complex events easier to deliver.

Why Choose Gleneagle?

Scale Without Complexity

Bring large conferences, exhibitions and multi-day events together within one connected destination, with venues, accommodation, dining and event support all onsite.

A Destination People Want to Attend

Beside Killarney National Park and minutes from Killarney town, Gleneagle combines professional capability with a destination delegates genuinely enjoy experiencing.

Technology Built In

In-house technical production, AV, staging, lighting, hybrid capability and live streaming give organisers one experienced team from planning through to showtime.

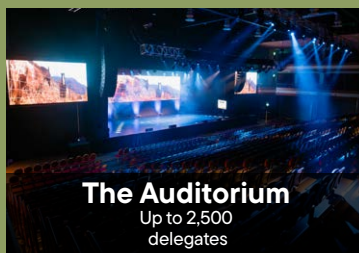

An Experienced Partner

From initial enquiry to event delivery, our experienced team supports every stage.

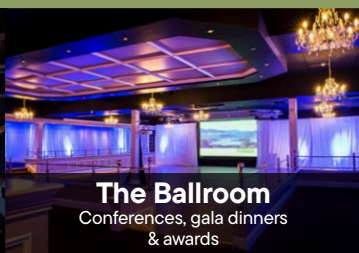

Flexible Spaces

From board meetings and workshops to exhibitions, gala dinners and large-scale conferences, spaces adapt around your event.
