Drinks Menu

GLENEAGLE

Built on Spirit. Poured with Stories.

Before it was Gleneagle, it was an elegant Georgian home. In 1957, a young Killarney couple opened its doors to paying guests, raising a glass to something new. The original walls still stand, and so does the spirit that first turned a house into a place to gather.

Every great hotel has a bar at its heart. Ours has seen first dates, encores, reunions, quiet nightcaps and lively toasts. Back when Gleneagle first welcomed guests, cocktails were enjoying a revival and Irish coffee was beginning its journey around the world. A good drink, then as now, meant stories were about to unfold.

The word “spirit” belongs behind the bar, of course. But it also lives in the welcome, the music, the laughter and the generations who shaped this place.

So whatever you’re having, consider it part of the story.
